ODD AND CURIOUS MONEY

BURMA

Cambodia and Laos States, North Siam

We offer herewith the finest collection of the curious animal weights of Burma. Starting back many centuries ago each King had issued a set of OFFICIAL WEIGHTS the form used being that of the animal representing his birthdate. For instance King Alompra 1753-60 was born under the sign of the ELEPHANT so the weights which every merchant was required to have in shop were cast at Mandalay in the shape of elephants, King Bodopaya 1781-1819 was the LION, King Naungdozi 1760-63 was the DUCK; King Mindon Min 1852-78 as well as Thibaw 1878-85 was the SWIFT (a bird)· For the complete history of the issuance and use of these curious numismatic pieces see Sir Richard Temple in the INDIAN ANTIQUARIAN 1898 and also in 1913. Sir Richards states that while these pieces were the official issues of the Kings of Burma their use was wide spread in parts of CAMBODIA AND NORTH SIAM (LAOS STATES).
